

Dear _____,

Welcome to the Business-to-Business Networking Group! We are thrilled to have you join our vibrant network of professionals dedicated to empowering local commerce and driving sustainable business growth.

As a member of our community, you will have access to our weekly networking events, designed to facilitate meaningful connections and the timely exchange of quality referrals. Guided by the principle that 'Word of Mouth is the least expensive, most effective way to build a business,' we leverage our years of experience and proprietary tools to help you forge lasting relationships and generate new opportunities.

Throughout your membership, you'll gain valuable insights into the foundational strategies and structures we have in place to help B2B members collaborate effectively. By partnering with a diverse range of categories, you'll access unique opportunities to expand your warm market and build lasting relationships that foster business success.

To support you on this journey, we will pair you with a seasoned "new member mentor", who will offer guidance and be a resource for any questions. Your new member mentor will meet with you to review the materials and essential steps and information to review in preparation for your weekly meetings and member interactions. Your mentor will check in with you regularly to ensure a smooth onboarding experience.

Once you have accessed your portal, you will be able to retrieve a copy of your completed membership form, retrieve your payment schedule and find more information to make your membership a success. Please review each item carefully and reach out to your mentor with any questions.
